EXPERIENCE

CVS Health | Plano, TX

March 2025 - Present

Certified Pharmacy Technician

- Processed prescription data and insurance claims using RXConnect, ensuring accurate, compliant service for 200+ patients daily in a high-volume pharmacy.
- Coordinated with pharmacists to prepare and dispense medications, maintaining safety, efficiency, and regulatory standards under time pressure.
- Identified recurring workflow bottlenecks during peak hours and restructured task sequencing, driving a 47% reduction in patient wait times as measured by RxConnect performance metrics.

IACC Sunday School | Plano, TX

August 2021 - May 2026

Operations Team Leader / Teacher

- Supervised facility operations and classroom logistics to ensure safe, efficient transitions for 600+ enrolled students weekly.
- Facilitated administrative coordination for teachers and led instructional activities, improving student engagement through structured lessons and active participation.
- Redesigned classroom setup procedures for incoming teachers, cutting setup time by 73%, per direct manager feedback.

PROJECTS

AI Lead Follow-Up Agent | Python, Claude API, Gmail API

- Built and deployed an autonomous outreach agent that ingests JSON lead data, generates personalized email campaigns using the Claude API, and delivers messages through Gmail OAuth integration.
- Enhanced system reliability by implementing dry-run mode, sent-tracking deduplication, rate limiting, error handling, and structured logging; configured GitHub Actions CI pipelines for automated linting.
